

János Pongrácz

II. Vörmező-u.6.,

Budapest, Hungary

23.sz.

9 May 1940.

My dear son ! I am sending you the documents indicated in my airmail letter of today (22) István's Police check, medical certificate, photograph. Love, Daddy

You even sent some negatives home from London for copying. The copies were sent to you at that time, but the negatives remained here. I am enclosing them here in case, for the sake of the completeness of your collection, you will make a point of having them.
